

**Hello to All from Willie's Corner (since 2014)!!**

**Willie Johnston says a big "Hello to The Village"** from his home in Scotland and this will be seen on the big screen, Sept. 30th at the stadium!

Willie is "beyond pleased" that Willie's Corner continues to be a place of good fun and good will. This year's charity initiative "**20 for 20**" will continue to benefit the awesome work of the Down Syndrome Resource Foundation.

Vancouver Villagers, it would be "Willie wonderful" if the Down Syndrome Resource Foundation were to receive your kind support! It is hoped that Caps fans and friends will help make **20 for 20** a great success for the DSRF.
